WARNING

This document contains classified information affecting the national security of the United States within the meaning of the espionage laws U. S. Code Title 18, Sections 793 and 794. The law prohibits its transmission or the revelation of its contents in any manner to an unauthorized person, as well as its use in any manner prejudicial to the safety or interest of the United States or for the benefit of any foreign government to the detriment of the United States. It is to be seen only by U. S. personnel especially indoctrinated and authorized to receive TALENT information. Its security must be maintained in accordance with TALENT regulations.

PREFACE

This publication contains the geographic location plots of the photography on Mission G 3074, dated 1 April 1962. These plots are presented on a WAC format that has been reduced for convenience to approximately 60 percent of the original size. There are seven plot sheets in this publication arranged in ascending order by control number.

The flight-line index on page iii indicates the approximate track of Mission G 3074.
